July 2023 - Bringing Us Hope

A former lifer, now sober and released, returns to prison. But this time he's there to give back I want to share some good news with you. There was a man named Don and he did 25 years in prison. The first 15 years, he did whatever he wanted. The last 10, he entered AA, got sober and went home. He had been sentenced to life in prison. People from AA came and spoke up for him at his public hearing and the Michigan Department of Corrections let him go home.

A Member Shares...

As a member of AA, I was aware of AA Grapevine and that's about it, simply aware. I have recently been given an opportunity, through service in Area 67, to dive into and explore the Grapevine! I can only compare it to when I first came into the rooms of AA. I was completely clueless to all the great things it encompasses. You can read a story, send in your own story, submit and vote on cartoon captions, learn odd facts, get daily quotes...the list goes on! I added it to my favorites bar.
